

MEADOW BROOK

The GTI was recently driven by Indianapolis 500 winner Danny Sullivan, and Olympic-Star-Turned-Racecar-Driver Bruce Jenner, in a race for Bob Uecker's "War of the Stars" program. (For your information, Sullivan won the best two out of three races.)

A special trophy will be awarded the winner of each Volkswagen GTI Media Challenge, but those that don't cross the finish line first will probably be comforted by the fact they don't cover the presidential beat.
